Description:

The ***Ontario Federation of Anglers and Hunters (OFAH)*** is currently searching for hard-working, motivated individuals to assist with our Invading Species Awareness Program (ISAP).

Key Responsibilities:

- Liaison with community groups and resource professionals to assist in the development of invading species awareness initiatives;
- Attend and provide support to community events, such as fishing derbies or community fairs;
- Conduct presentations to various community organizations;
- Coordinate community groups in stewardship and monitoring activities; and
- Develop educational materials on invasive species/contribute articles to local newspapers/newsletters.

Education and Qualifications:

- Enrolled in post-secondary education in biology, environmental science or a related resource management program;
- Registered as a full-time student in post-secondary education for the 2016-2017 academic school year in one of the above related fields, and enrollment in post-secondary education for the Fall of 2017;
- Between the ages of 15 and 30 at the beginning of employment;
- Canadian citizen, permanent resident or person to whom refugee protection has been conferred under the *Immigration and Refugee Protection Act*; and
- Legally entitled to work in Canada in accordance with relevant provincial/territorial legislation and regulations.

Required Skills and Experience:

- Knowledge of invasive species affecting local environments;
- Plant, fish, and invertebrate identification skills;
- Knowledge and skills relating to monitoring local waters and natural areas for invasive species;
- Experience networking with resource professionals/agencies and engaging volunteers/public in invading species awareness and stewardship projects;
- Excellent written and oral communication skills, including experience conveying information to the public (e.g. presentations to community/contributing articles to newspapers/newsletters);

- Familiar with computer and database management skills (MS Office, MS Outlook, Internet);
- Knowledge of the principles of field work, such as accurate data recording, use of technical equipment, and record keeping;
- Ability to work flexible hours and perform occasional field work; and
- Strong organizational skills and the ability to work effectively with minimal supervision.

Other Requirements:

- Proof of enrollment in post-secondary education for the Fall of 2017 (e.g. letter from the school, time table, etc.);
- Valid G driver's license;
- Valid Pleasure Craft Operators Card (for positions required to operate watercrafts);
- Valid police reference check; and
- Valid OFAH Membership.

Assets:

- Valid Emergency First Aid with Level A CPR and AED certification (as a minimum); and
- Valid fishing license.

Please submit in **one document** an OFAH Invading Species Community Outreach Liaison Application Form, cover letter, résumé and one letter of reference indicating the **location** to which you are applying and how your skills and qualifications meet each of the requirements of this position to:
