SUMMER EMPLOYMENT OPPORTUNITY

POSITION: Assistant Watershed Monitoring Technician

GENERAL DESCRIPTION:

The Assistant Watershed Monitoring Technician reports to the Watershed Services Specialist and is responsible to assist with the monitoring, collecting and compiling of water resources data throughout the Lower Trent Conservation Watershed. This position is a seasonal contract (~May through August) with 40 hours per week with possibility of evening or weekend scheduled hours.

KEY DUTIES:

1. Prepare for and complete monthly surface water quality sampling as part of the Provincial Water Quality Monitoring Network (PWQMN) and the Lower Trent Conservation Surface Water Monitoring Program.
2. Collect benthic macroinvertebrates using the Ontario Benthos Biomonitoring Network (OBBN) protocol.
3. Perform in-stream baseflow measurements and collect stream temperature data throughout the watershed region using various techniques.
4. Assist with groundwater monitoring as part of the Provincial Groundwater Monitoring Network (PGMN).
5. Calibration and maintenance of scientific/field equipment.
6. Compile and organize water resources data within a database.
7. Undertake other related duties as assigned.

QUALIFICATIONS:

- Currently enrolled in or completed post-secondary education with experience in Environmental Sciences, Ecosystem Management, Fish and Wildlife, Biology, Ecology, Geography or a related field.
- Experience in collecting aquatic benthic macroinvertebrates and the ability to identify benthos in the field (OBBN Certification an asset).
- Must be able to work outdoors and in potentially adverse environmental (weather and uneven terrain) conditions.
- Ability to stand, sit, walk for long periods of time and lift, carry or otherwise move (~22 kg).
- Excellent organizational skills to set priorities and react to changing program needs.
- Ability to work with minimal supervision when required.
- Ability to communicate effectively both orally and in writing.
- Proficient computer skills including Microsoft Office and ArcGIS applications.

- Valid driver's license within the Province of Ontario and held in good standing.
- To be eligible for this position; candidates must meet the funding source (e.g. CSJ) criteria.

CONDITIONS OF EMPLOYMENT:

- Duration: 16 weeks
- Proposed start date: May 6, 2024
- To be eligible, you must be between 15 and 30 years of age at the beginning of the employment period; be a Canadian citizen, permanent resident, or person to whom refugee protection has been conferred under the Immigration and Refugee Protection Act for the duration of the employment; and, have a valid Social Insurance Number at the start of employment and be legally entitled to work in Canada in accordance with relevant provincial or territorial legislation and regulations.
- Hourly rate: \$16.55/hour
- Hours of work: 40 hours/week
