Regulation and Enforcement Officer

Job Description

Permanent, full-time position

GENERAL DESCRIPTION:

The Regulation and Enforcement Officer reports to the Manager, Watershed Management, Planning and Regulations and is responsible for the administration of Parts VI and VII of the *Conservation Authorities Act*, and Ontario Regulation 41/24: Prohibited Activities, Exemptions and Permits for Lower Trent Region Conservation Authority (LTC). This includes site inspections for compliance with Part VI of the *Conservation Authorities Act* and O.Reg.41/24, LTC Board approved policies and LTC permit conditions; inspection and investigation of complaints and violations; and delivering enforcement actions under Part VII of the *Conservation Authorities Act*.

KEY DUTIES:

1. Provide high-quality service to meet LTC, municipal, partner and public expectations.
2. Review technical reports and studies, and provide comments with respect to adherence to LTC policies and guidelines and accepted engineering and environmental principles.
3. Under Part VI of the *Conservation Authorities Act* and O.Reg. 41/24:
 - a) review and process permit applications, as assigned;
 - b) prepare staff reports for the LTC Hearing Board; and
 - c) ensure that the records and filing system (both conventional and digital) for the regulations program are maintained.
4. Coordinate inspections for development activities under an approved permission from LTC to ensure compliance with plans, specifications and permit conditions. Negotiate settlements pertaining to issues and conflicts related to permits and permit conditions.
5. Perform enforcement and offence related functions under Part VII of the *Conservation Authorities Act* and O.Reg. 41/24 including but not limited to:
 - a. Inspect complaints and investigate violations
 - b. Document complaints and potential violations
 - c. Issuance of violation notices
 - d. Collect evidence, record notes and log photographs in support of the issuance of violation notices
 - e. Negotiate and consult with landowners on remediation/compliance plans and permit applications to resolve violations.
6. Develop and maintain LTC enforcement guidelines, policies and protocols in consultation with staff.

7. Represent Lower Trent Conservation at hearings, tribunals and *Provincial Offences Act* Court.
8. Prepare digital maps, using GIS software to support LTC review of planning and regulations decisions and in response to external requests.
9. Respond to real estate and public inquiries regarding development proposals.
10. Respond to information requests from consultants, other agencies, and the public for planning and environmental information.
11. Prepare reports, attend meetings and make presentations for LTC Board of Directors and stakeholders.
12. Participate in watershed management and planning forums/technical committees/workshops and report back to further the objectives of LTC's Strategic Plan and Business Plan.
13. Assist and participate in education and outreach activities as assigned.
14. Adhere with all LTC policies and procedures.
15. Undertake other related duties as assigned by the supervisor or CAO.

QUALIFICATIONS:

- Degree in Geography, Environmental Science, Law/Enforcement or a related discipline, and 2 to 5 years related work experience.
- Working knowledge of provincial legislation relating to the *Conservation Authorities Act* and *Provincial Offences Act*. Knowledge of the Ontario Building code and other related provincial or federal legislation is an asset.
- Knowledge and experience of legal procedures related to the collection of evidence, inspection, investigation and enforcement procedures and protocols.
- Current designation as a Provincial Offences Officer or eligibility as a Provincial Offences Officer with no criminal record.
- Ability to read, interpret and comprehend construction and grading plans, technical reports and policies.
- Demonstrated ability to work as part of a team on projects and studies.
- Computer literacy using Microsoft Office (Word, Excel, Access).
- Demonstrated time management, analytical, and problem-solving skills.
- Excellent interpersonal skills to communicate effectively with the public orally and in writing, in a positive, courteous and respectful manner.
- Experience with GIS and database software.
- Ability to work outdoors in adverse conditions and under extreme conditions required.

- Valid driver's license within the Province of Ontario in good standing required.
- Satisfactory police check and driver abstract

CONDITIONS OF EMPLOYMENT:

- 40 hours/week
- Annual Salary Range \$69,253 - \$80,284
